

PRE-SYMPOSIUM WORKSHOPS

TAKEAWAYS

To make the most of your professional development experience, please take time to reflect after each workshop. The below questions are designed to deepen your engagement by helping you to identify meaningful takeaways and insights that can be applied to your daily work.

What is one key insight or idea you are taking away from this session, and why did it stand out to you?

How does this session's content connect to your current work or professional goals?

What is one specific action you can take to apply what you learned in your role or department?

Did this session challenge any of your assumptions or usual ways of thinking? If so, how?

What follow-up or further learning do you want to pursue as a result of this session?
