

UL STUDENT SUCCESS SYMPOSIUM THEORY TO PRACTICE

As you reflect on what you've learned during the UL Student Success Symposium, consider how you can turn those insights into meaningful actions. Use the spaces below to identify one thing you can do right away, one action you can take in the next few weeks, and one goal to work toward over the long term. Taking the time to plan now can help you carry the energy and ideas from the symposium into your professional practice in meaningful and lasting ways.

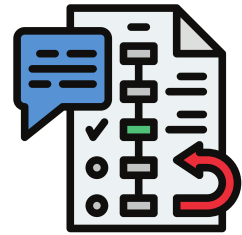

Immediate Action

Short-term Action

Long-term Action

"How can you integrate what you've learned into both your day-to-day responsibilities and your long-term professional goals?"
